

CHANE

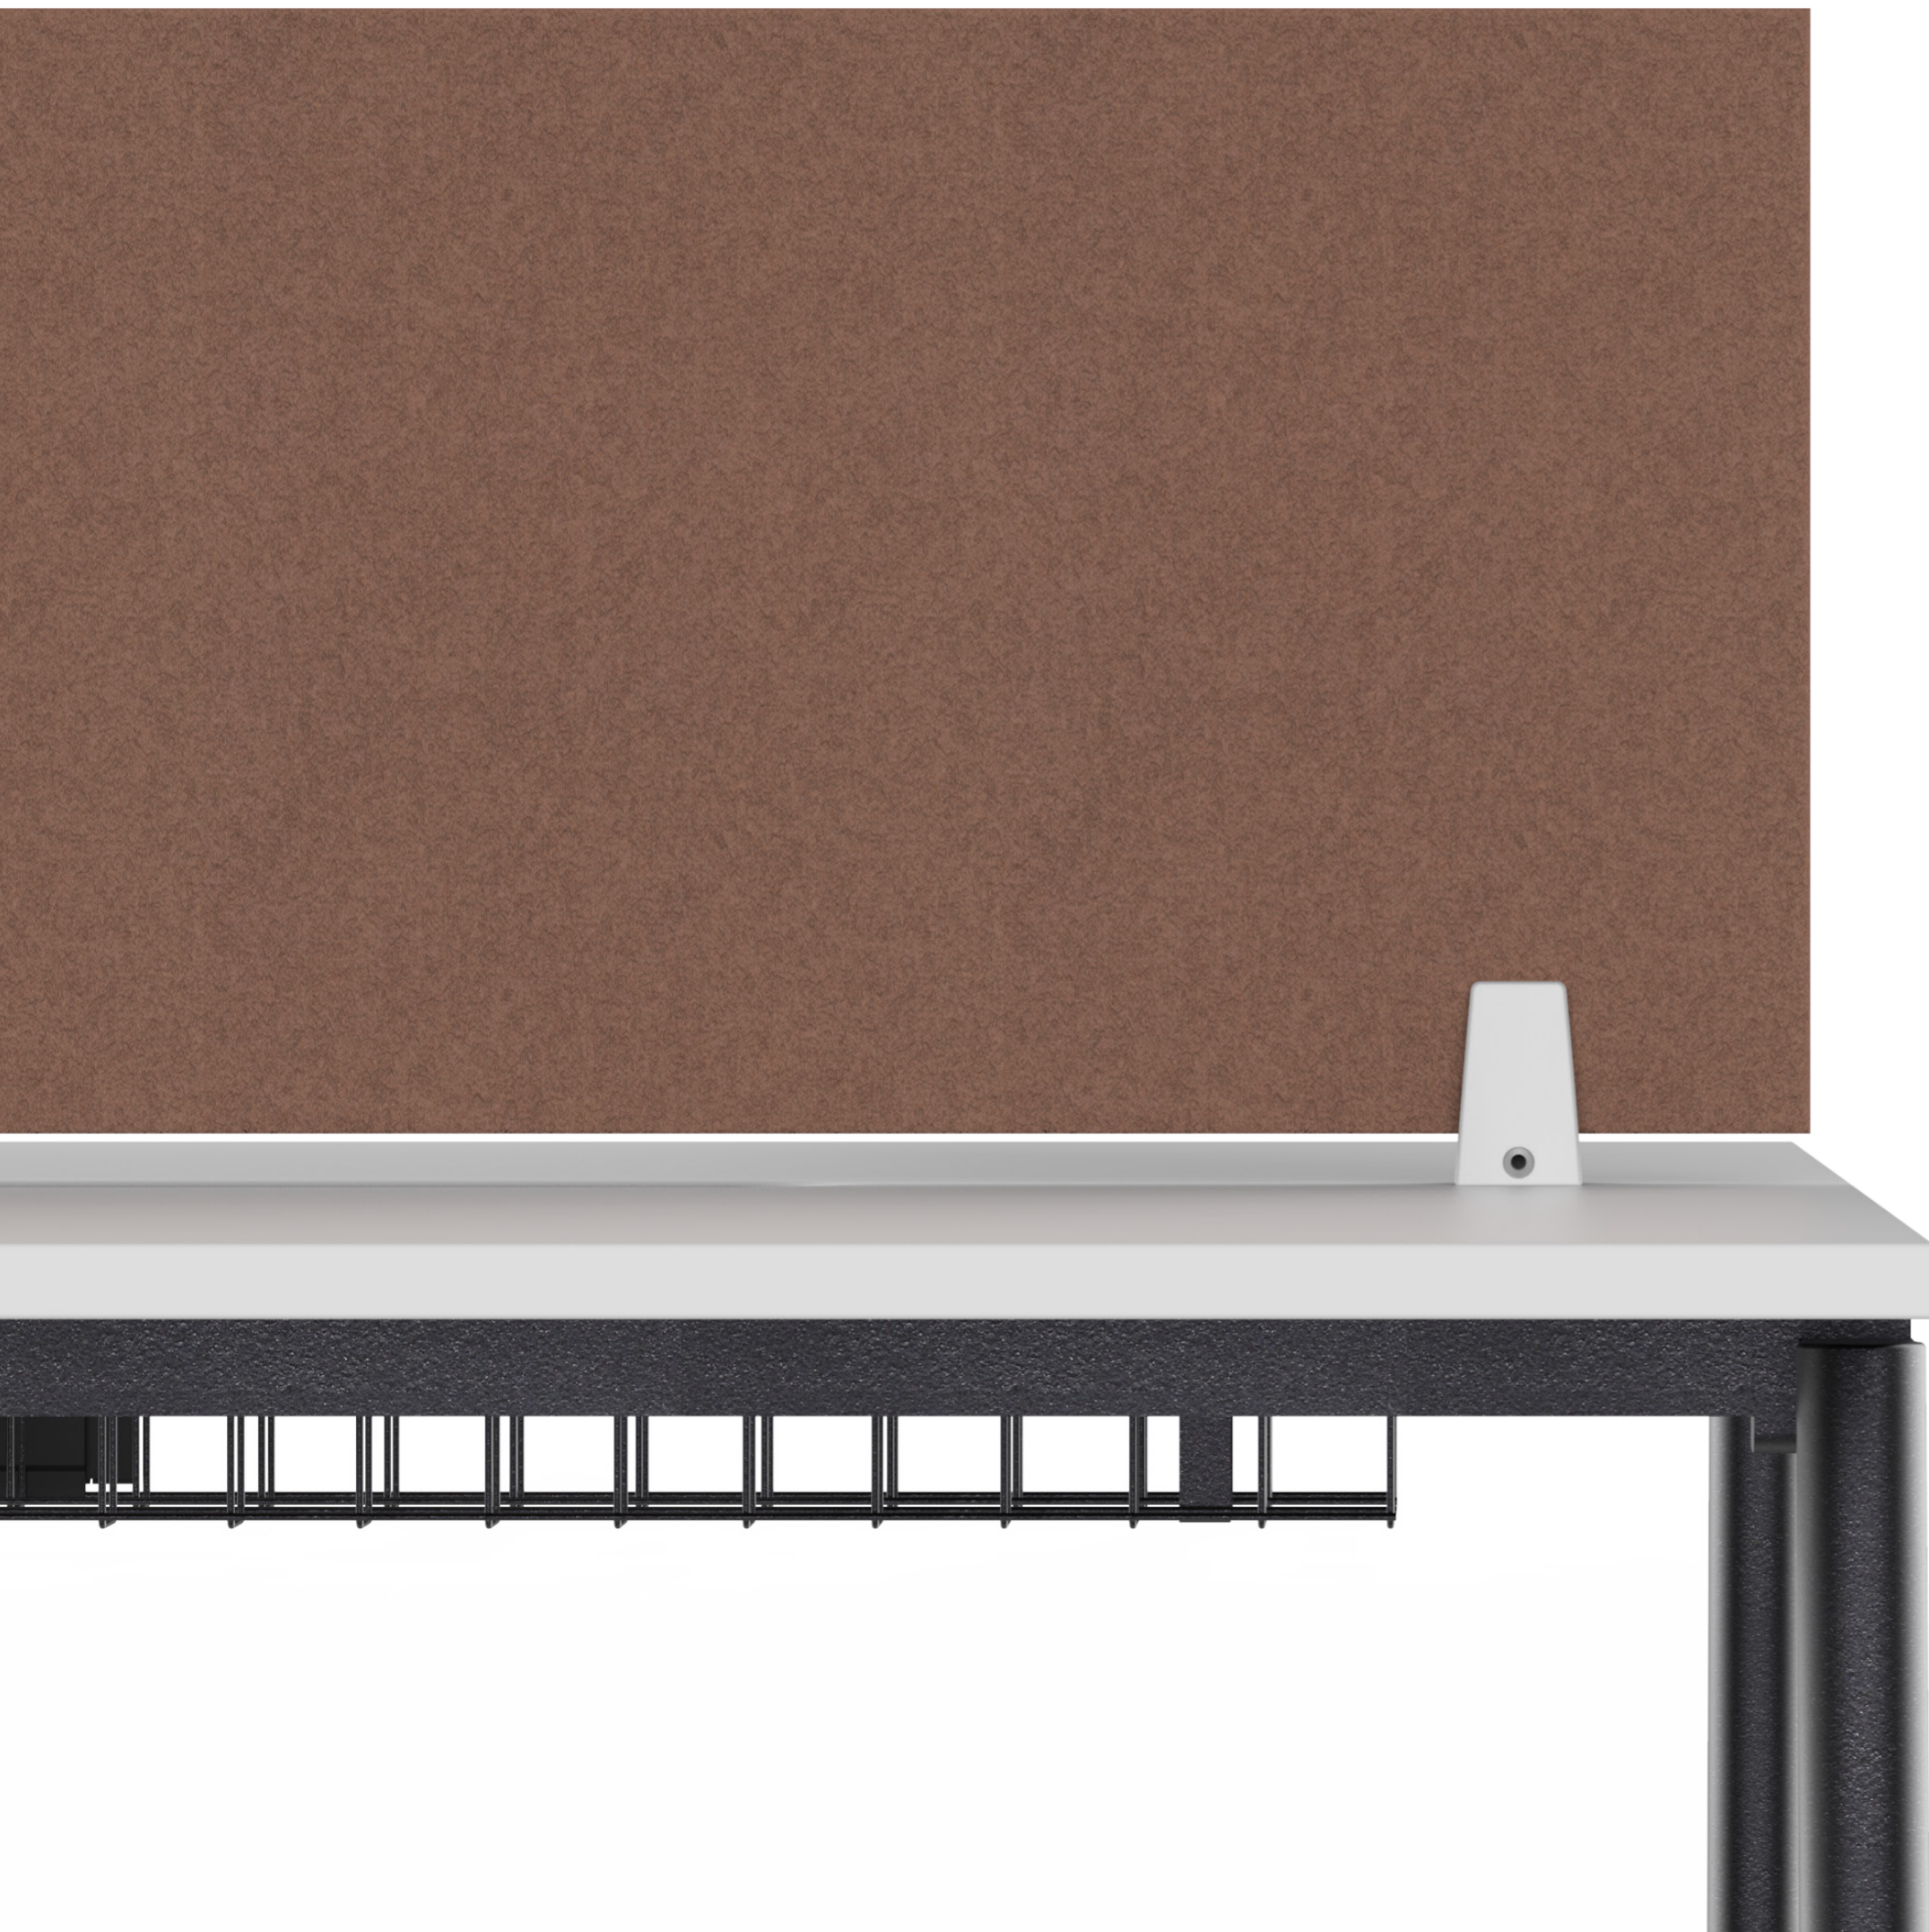

CHANE

With a contemporary feel and modern aesthetic, CHANE is our collection of thoughtfully designed desk systems that aim to create inspiring settings, allowing you to work individually or collaboratively at home or in the office.

CHANE is a desk system that has been intelligently designed to reflect the dynamic nature of modern office workspaces. Available in a range of configurations, CHANE can easily be disassembled and reassembled to create the desired work environment

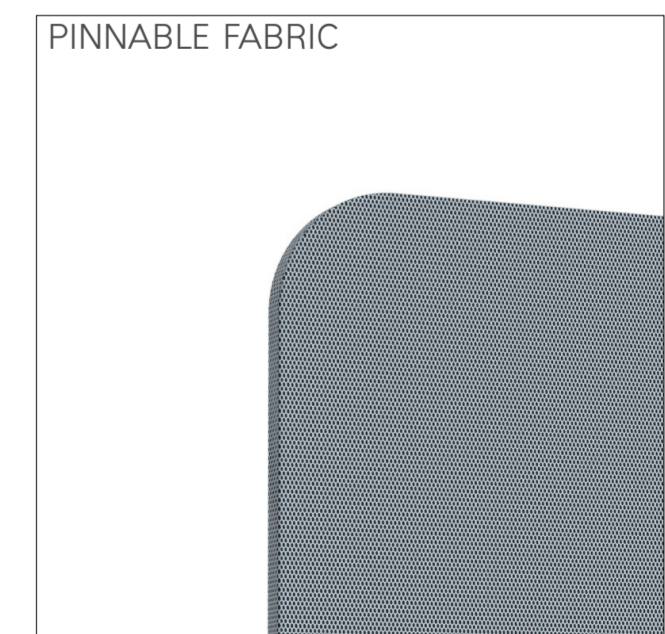

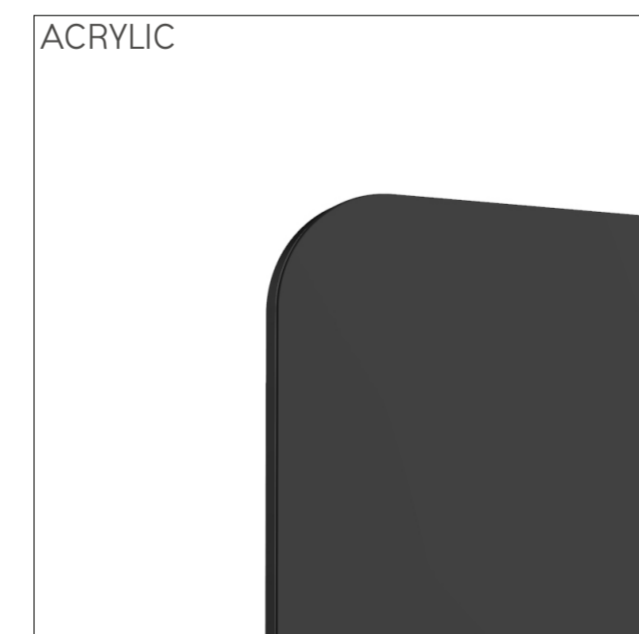

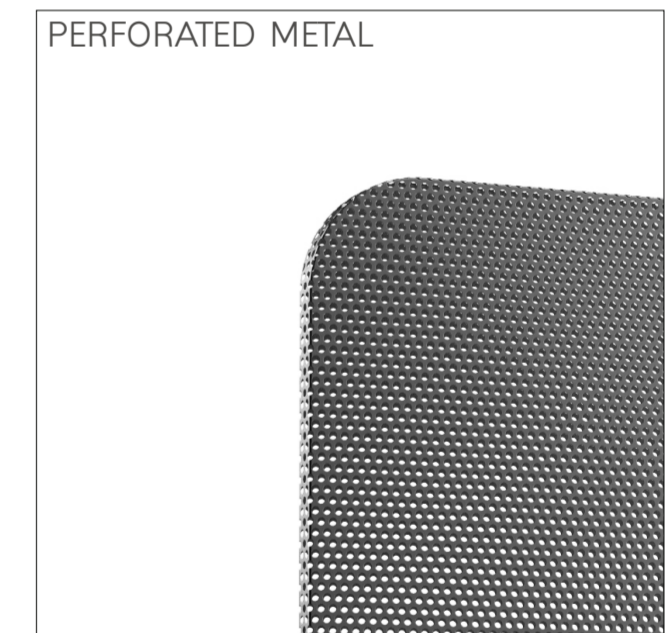

CHANE comes standard with a range of suitable privacy screen solutions, providing visual and audio privacy when needed. CHANE's screens can either be located above the desktop, or as modesty panels extending below the desk.

Privacy screen finishes

Screens are also available in the following finishes:

CHANE also features a fully developed cable management system. Services are reticulated and concealed by CHANE's Cable basket, freeing the workspace and providing greater working freedom.

01 The CHANE Cluster of Four Workstation.
The CHANE workstation offers a variety of configurations, available in Linear Single Desk, 90-degree desk and Side-by-side desk variations.

02 Single or Two Tier cable trays
CHANE offers both single and two tier cable tray solutions, reticulating power and data cables efficiently to free the workspace for you.

03 Power, voice and data outlets
CHANE power, voice and data outlets are carefully concealed below the desk, decluttering the your workspace.

04 In-desk power boxes or above desk power rails
CHANE adaptable power options allow you to conceal power and data cables using its in-desk power box, or externalise them using CHANE above desk power rails.

05 Vertical power management from the ceiling via Power poles, power blades or umbilicals.
CHANE brackets are fine tuned to level the table, allowing the legs of the table to sit flush to the surface.

06 CHANE's Telescopic Frame
CHANE's Telescopic Frame allows it to be flexible in nature, providing you with the versatility and freedom to alter CHANE to your specific needs.

07 CHANE accessories
The CHANE series comes with a family of accessories and adjustable add-ons, allowing you to tailor CHANE for your own individual workspace needs.

Minimal in nature, The CHANE's strut legs and sleek worktop creates a tasteful aesthetic that compliments the look of any space, whether at home or in the office.
