Environmental Policy

RJ Office is an Australian owned medium size enterprise that designs, assembles and installs commercial office furniture. Our company product range includes workstations, seating, storage and custom made joinery.

We share with our clients the importance of incorporating environmental sustainable practices into our business with due concern and protection of the natural environment, biodiversity and ecosystems.

It is our intention to maintain a sustainable, environmentally responsible business which respects the quality of the environment and uses resources efficiently.

In particular we commit to:

- Compliance with environmental laws and regulation.
- Compliance with Ecolabelling Standard, Global GreenTag - GreenRate Level A.
- Understanding market expectations and industry trends.
- The reduction of pollution preventive practices to include energy efficiency practices.
- Reducing, reusing and recycling our on-site waste wherever practical through our recycling program.
- Setting environmental objectives.
- Educating staff on our environmental objectives, programs and initiatives.
- Promoting environmental awareness within our supply chain (procurement).
- Taking a life cycle approach for product design, manufacturer and end of life.
- Striving for continual improvement to enhance environmental performance.

Our company's commitment extends to operating in accordance with the International standard ISO 14001 Environmental Management System Requirements.
