VADER

Introducing VADER, a unique chair-bound soft screen that delivers an acoustic and visual boundary for home office situations. Simply attached to the back of your home office chair, VADER is an uncomplicated approach to the ever-changing needs of the modern workspace.

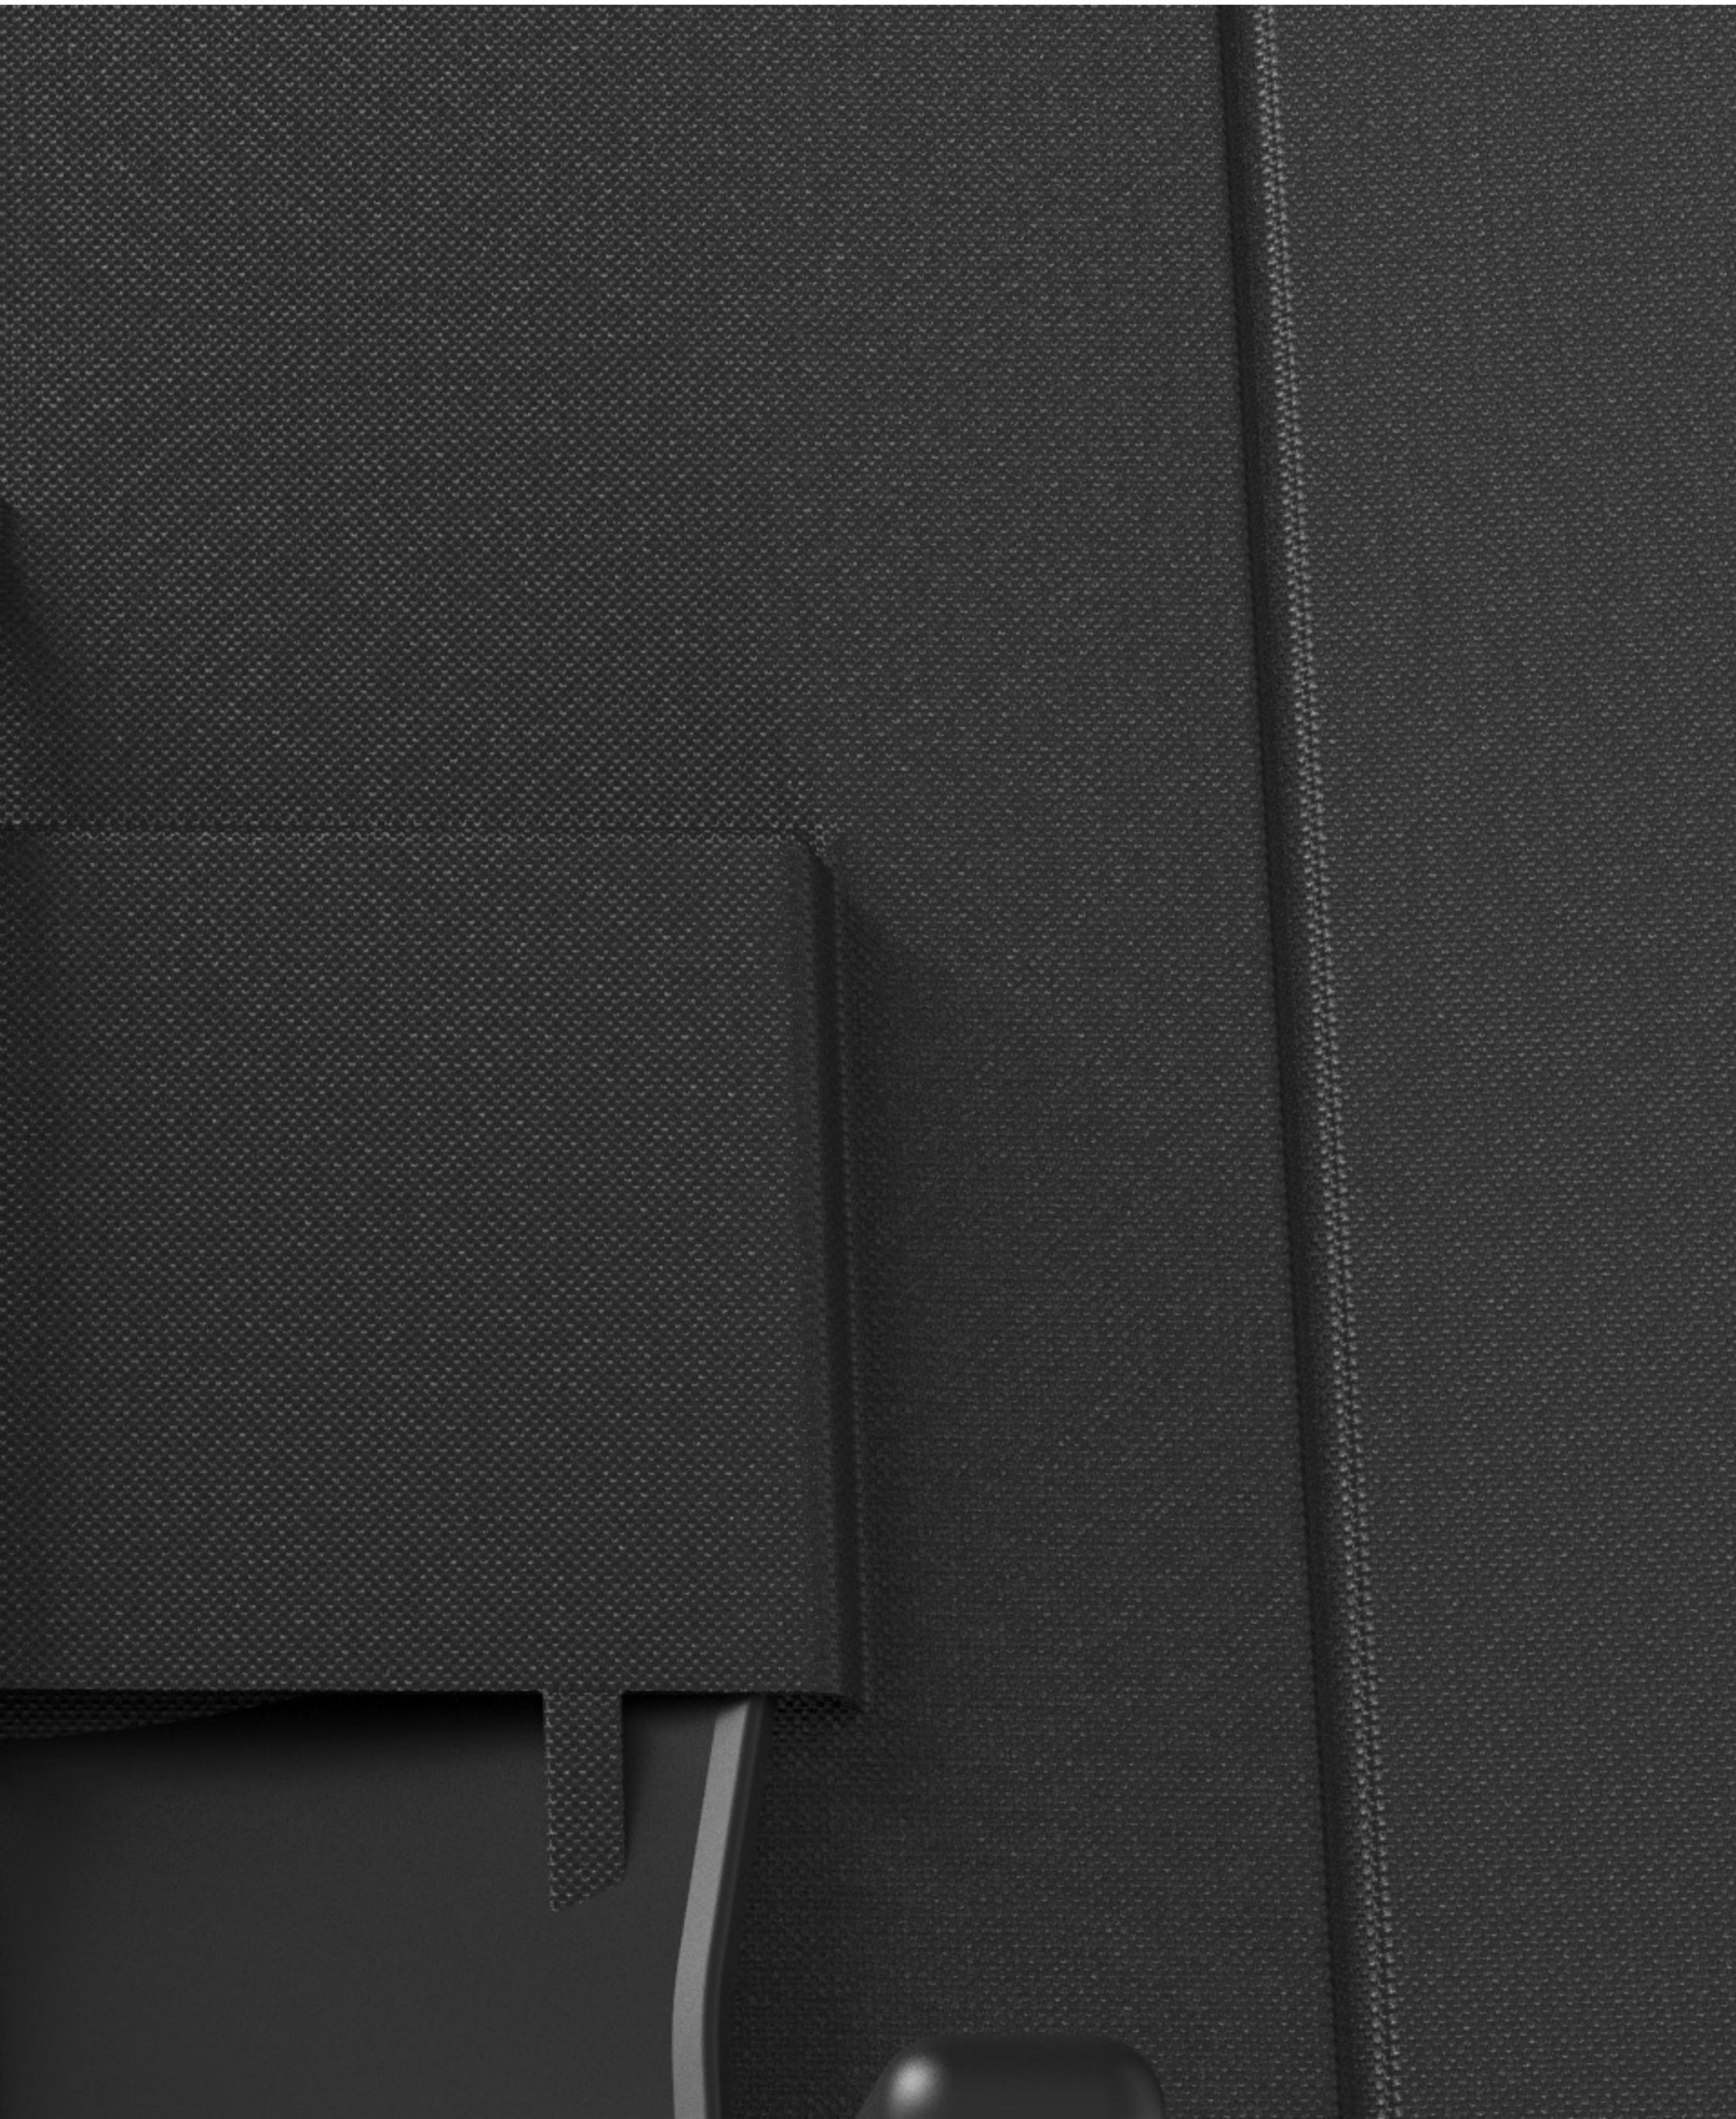

In a home environment, sometimes you need to define your boundaries. The VADER screen is designed to make defining space within your home easy. With its simple sleeve solution, VADER slides on to the back of your chair to give visual and audio privacy from the common distractions prevalent at home.

VADER simply slides on to the backrest of your chair, and can be fastened using the fastening straps to give extra support and stability.
